**In order to prove the knowledge of computer science or data processing, applicants can provide:**

- ECDL certificate or assessment
- the certification to have acquired credits of computer science/data processing at the University
- a signed self-declaration about the possession of computer science skills

Please **fill the self-declaration** you can find in the following page, by indicating the proof you can provide.

In case of ECDL, please also attach the certificate to the application.

In case of computer science credits during bachelor, please specify the name of the course

In case of self-declaration of competencies, please specify your level and your skills.

**NO OTHER DOCUMENTS WILL BE CONSIDERED!**

**ATTENTION: What declared in a signed self-declaration must correspond to the truth. People who provide false declarations can be condemned by the Italian law.**
