

Overall students' teaching evaluation – Academic Year 2016/17

Target

Items legend

D1	Is the overall study officially expected in the bimester, trimester, semester, etc acceptable?
D2	Is the overall organization (timetable, intermediate/final exams) of the courses scheduled in the semester / bimester / trimester acceptable?
D3	Does the timetable allow adequate individual study time?
D4	Was your background knowledge sufficient to understand the topics of the programme?
D5	Were the topics of the programme new to you or did they integrate your previous knowledge?
D6	Is the study load of this course proportioned to the credits of the course?
D7	Is the study material (indicated or supplied) adequate to study the subject?
D8	Are the integrating didactic activities on offer (tutorials, labs, seminars, etc.) useful for your learning?
D9	Have the exam procedures been clearly defined?
D10	Does the teacher respect the course timetable?
D11	Does the teacher stimulate/motivate your interest in the subject?
D12	Evaluate the clarity of the teacher's explanations.
D13	Is the teaching staff available for clarifications and explanations?
D14	Are the teacher's explanations clear and complete when clarifications are requested?
D15	Are the classrooms adequate (can you see, hear, find a place)?
D16	Are the rooms for the extra teaching activities (tutorials, labs, seminars etc) adequate?
D17	Are you interested in the subjects taught?
D18	Are you on the whole satisfied with the teaching?

School in Economics and Management - 2016/2017 - Course Program in DESIGN OF SUSTAINABLE TOURISM SYSTEMS (B205)
